■ **Pavlik and Associates** won five honors in the Hermes Creative Awards 2010 international competition. The firm received two platinum awards, the highest available. Republic Services in Houston was honored with a platinum award for the interior design of its website, www.recycleithouston.com. The second platinum award went to the Republic Services Green Gear campaign at www.recycleitstore.com. Pavlik and Associates also received three gold awards, one for the placement of the article "Another Approach to Low-Carbon Coal" in the online edition of *The New York Times*. The second gold award was for the "Next Generation of Coal Plants" magazine placement in the *National Coal Transporter*. Republic Services' website homepage design for www.recycleitrepUBLIC.com also received a gold award.

■ The **University of Texas at Arlington's Maverick Office Green Team Program** has been named Outstanding "Closing the Loop" Program by the Greater DFW Recycling Alliance, a council under the State of Texas Alliance for Recycling. "Closing the Loop" refers to reducing, reusing or recycling. The award recognizes individuals, communities, universities and businesses for programs involving recycling, composting, integrated solid waste management, environmental education, partnerships or special events. It is part of the alliance's Greater DFW 2010 Recycling Leadership Awards.

■ **Yolanda Garcia Olivarez**, administrator for the U. S. Small Business Administration for Region VI, has been chosen as one of *Hispanic Business Magazine's* Top 20 Women of Excellence for 2010.
